PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

The attention of the public who use Steam Boilers for their industry, is drawn to Sections 6 and 7 of the Indian Boilers Act (V of 1923) which require that no Boiler should be used unless it has been registered and certified for use, as per the provisions of the above Act and Rules thereunder.

For this purpose, a certificate from an 'Inspecting Authority' under Regulation 4 (c) of the Indian Boilers Regulations, 1950 and in the prescribed form II, as regards the soundness of the Boiler must compulsorily be furnished to the Chief Inspector of Boilers, either before or along with the application for registration, by producing the following documents, in respect of the Boiler as per the provisions of Regulations 4 (d) (i) to (iii) thereof.

(*a*) A certificate in form (iii) of Manufacture and Test signed by the Maker of the Boiler.

(*b*) Detailed drawings or prints to scale thereof.

(*c*) Steel Maker's and Construction Certificates.

There have been instances wherein Boilers are presented for registration without the above documents. But under Section 14 (2) of the Boilers Act, the Inspector of Boilers shall refuse to examine such boilers for registration.

With a view to avoid inconvenience to themselves in such a contingency and also to avoid much delay and controversy at a later date in this connection, such of the members of the public as are in the market for Steam Boilers, are hereby advised, in their own interest, to consult the Chief Inspector of Boilers in Mysore, Bangalore, before they place orders with foreign countries, for costly Boilers.
